VENUE PARTNER OVERVIEW

Fuel costs are rising, vehicle wear and tear pile up with every trip, and profits are squeezed. Wouldn't it be great if you could earn more revenue without doing anything extra? You can with AllOver Media!

The experienced professionals at AllOver Media will:

- Pay you revenue generated by the advertising that appears on your vehicle
- Handle all details in placing and maintaining the high-impact removable direct application vinyl during downtime
- Respond quickly to any questions or problems that you encounter
- Give you the final say in ad placement (you won't be asked to display offensive ads).

HOW IT WORKS

To participate in the Venue Display Partnership, businesses are asked to provide:

- Number of trucks available
- Days/hours of operation
- Willingness to allow installation of direct application vinyl graphics
- Location of corporate headquarters and terminals

In return, AllOver Media provides:

- Compensation based on number of trucks, market size & routes traveled
- A designated representative who will answer your questions and provide personal service
- First right of refusal to determine unacceptable advertisements
- Professional service and timely payments
- Install the ads on your trucks during downtime
