### UNDERSTANDING YOUR MEMBERSHIP

With Consolidated Fleet Solutions, you will never have an out-of-pocket expense and you choose only the programs you want to use! Rebate checks are issued quarterly based on purchases made by the member. CFS may retain 10% of the rebates collected to cover collection and processing costs. Membership fee structure can be found at [www.consolidatedfleetsolutions.com](http://www.consolidatedfleetsolutions.com). If rebates are not earned in any particular quarter, membership fees will not apply. Member discharges CFS from all claims arising out of a vendor's non-payment of rebates. CFS or the member may discontinue membership at any time.
